ENCOURAGING THE DEVELOPMENT OF WOMEN'S AMATEUR GOLF IN MASSACHUSETTS

SPRING TEAM MISSION STATEMENT

The purpose of the WGAM Spring Team matches is to provide competition among players of similar handicaps with the team playing as a "unit" representing their club. In order to achieve this goal, we ask that team players commit to playing all five (5) matches. Based on this commitment, the teams are arranged into Cups according to their team aggregate, thus providing the keenest competition possible.

2011 DATES: April 28, May 5, 12, 19, 26 (Thursdays)

FORMAT: Each team member will play one handicap match against another team player in her Cup according to the rotation schedule. Matches are played in twosomes.

ELIGIBILITY: A member club may enter one or more teams. A minimum of two (2) hosting dates must be given for each team, plus an additional date or multiple teams. A team consists of five (5) current WGAM members whose individual dues have been paid and whose USGA 18-hole handicap index is 30.4 or lower as of November 1, 2010.

ENTRY FEE: \$150.00 per team.

CUPS: Cups will consist of six (6) teams. The first six Cups will be determined solely on the basis of the aggregate USGA handicap indices for each team. Cups #7 and higher will be determined on the basis of aggregate USGA handicap indices of each team with some flexibility for travel and/or course availability.

WINNERS: The winner in each Cup will be the team with the most points. The winning team will have their club's name engraved on the individual trophy Cup and the winning team members (and substitutes who played in at least 3 matches) will receive an Individual Spring Team pin.
