Course Information & Definitions

Preferred lies

If a player's ball lies on her own fairway, the player may mark, lift and clean the ball without penalty. Before lifting, the player must mark the position of the ball. The player must then place the ball on a spot within six inches of and not nearer the hole than where it originally lay, that is not in a hazard or on a putting green. A player may place their ball only once, and it is in play when it has been placed

Aeration Holes

Through the green, a ball that comes to rest in or on an aeration hole may be lifted without penalty, cleaned and placed within 6 inches of where it originally lay but not nearer the hole.

On the putting green, a ball that comes to rest in or on aeration hole may be placed at the nearest spot not nearer the hole that avoids the situation.

Aeration Plugs

Through the green, aeration plugs are loose impediments and may be removed without penalty.

Cart Paths

All cart paths and service roads are deemed to be obstructions from which a player is entitled to relief without penalty. Washed out areas at end of paved cart paths or adjacent to cart paths or service roads are to be considered part of the cart path/service road even if not so marked.

Stones in Bunkers

Stones, rocks and acorns in bunkers are movable obstructions and may be removed prior to making a stroke without penalty. The stone, rock or acorn must be in the path of your intended swing.
